The Nebulae Aroma Diffuser

INSTRUCTIONS FOR USE

1. Remove Glass Cover. Remove Water Tank Lid from the Base.

2. Pour tap water into the Water Tank up to the Max Water Level Line. Add 2-5 drops of essential oil (not included) directly into the Water Tank.

3. Replace the Water Tank Lid. Replace Glass Cover on top of Base, aligning Mist Outlet with nozzle on Water Tank Lid.

4. Insert the Adapter’s DC connector into the DC Socket located on the bottom of the Base. Plug the AC end of the Adapter into an electrical wall outlet.

5. Button Functions:
   - Right Side – Mist:
     - Press once to turn on Continuous mist.
     - Press twice to turn on Intermittent mist at 30-sec intervals.
     - Press three times to turn mist off.

FEATURES

- Ultrasonic vibrations transform water and essential oil into a steady stream of aroma-infused mist.
- Water Capacity: 120 mL (4.06 fl oz)
- Coverage Area: Up to 40 sq mt. (430 sq ft)
- Continuous Run Time: Up to about 5 hours
  - Intermittent Run Time: Up to about 10 hours
  *Run time will vary depending on humidity levels and other external factors.
- Light Mode:
  - Version 1: Rotating color, freeze color, manual light and OFF.
  - Version 2: Bright white light, soft white light and OFF.
- Automatic safety shut-off.
- Power: Certified AC Adapter included.

CARE&MAINTENANCE

- Only use the power cord supplied with the unit. Always remove the power cord before cleaning.
- Essential oil should not come in contact with the exterior surface of the unit.

TO CLEAN:

- Remove the Cover. Empty the water from the Water Tank away from the Air Outlet.
- The Ceramic Disc should not come in contact with any hard or sharp objects.
- To remove possible buildup, gently use a cotton swab dipped in white vinegar to wipe out the inside.
- Dry with a soft cloth to avoid mineral buildup.
- Do not use strong cleaning agents.
Left Side – Light:

Version 1:
- Press once to turn on rotating bright color.
- Press twice to freeze bright color.
- Press three times for manual light mode. With each press of the button the unit will cycle through soft and bright colors, starting from blue and turning off at bright white.
Notice: At any time, press and hold the button for 3 seconds to turn light off.

Version 2:
- Press once to turn on bright white light.
- Press twice to turn on soft white light.
- Press three times to turn light off.

6. The unit will stop misting when water level becomes too low, meanwhile the light will be turned off.
7. Disconnect Adapter from electrical outlet when not in use.

EU DECLARATION OF CONFORMITY

Hereby, the manufacturer Oregon Scientific, declares that the equipment type: The Nebulae Aroma Diffuser (HWI0003) is in compliance with the Directive 2014/30/EU. The full text of the EU declaration of conformity is available at the following Internet address: www.oregonscientific.com.

DISPOSAL INFORMATION FOR USERS

Pursuant to and in accordance with Article 14 of the Directive 2012/19/EU of the European Parliament on waste electrical and electronic equipment (WEEE), and pursuant to and in accordance with Article 20 of the Directive 2013/56/EU of the European Parliament on batteries and accumulators and waste batteries.

The barred symbol of the rubbish bin shown on the equipment indicates that, at the end of its useful life, the product must be collected separately from other waste.

Please note that the batteries/rechargeable batteries must be removed from the equipment before it is given as waste. To remove the batteries/accumulators refer to the specifications in the user manual. Therefore, any products that have reached the end of their useful life must be given to waste disposal centers specializing in separate collection of waste electrical and electronic equipment, or given back to the dealer when purchasing a new WEEE, pursuant to and in accordance with Article 14 as implemented in the country.

The adequate separate collection for the subsequent start-up of the equipment sent to be recycled, treated and disposal of in an environmentally compatible way contributes to preventing possible negative effects on the environment and health and optimizes the recycling and reuse of components making up the apparatus. Abusive disposal of the product by the user involves application of the administrative sanctions according to the laws in force.
