TURNING ON /OFF THE VOICE ANNOUNCEMENT

The VOICE ON/OFF controls let you turn the countdown (GLOBAL) on document timer’s voice announcement on / off.

To turn off the voice, repeatedly press VOICE ON/OFF until “       ” symbol shows on the display. Please note, even the voice is turned off, there will still be alarm sound when counting down to 0:00.00. To turn on the voice, press VOICE ON /OFF button until “          ” disappears on the display.

The clock’s voice announcement cannot be turned off.

RESETTING COUNTDOWN TIME

To reset the countdown (GLOBAL) on document time, firstly stop the countdown (if it is still counting down) by pressing START/STOP. Then press CLEAR to reset the time by the previous method.

SETTING THE TIME

1. Slide the function switch to CLOCK SET mode and “CLOCK SET” appears on the screen.
2. Press HOUR, MIN. buttons to set the hour, minute, second respectively. A voice announces each entry.
3. Slide the function switch to CLOCK.

NOTE: the screen displays the time in the afternoon with PM.

With the function switch set at CLOCK position, pressing any button (except VOICE ON/OFF) will announce the current time.

NOTE: You can operate the countdown (GLOBAL) on document and clock simultaneously without affecting each other.

TIME ANNOUNCEMENT

This unit is powered by 2 x AG13 (or LR44) alkaline batteries.

If voice announcements sound weak or the display dims, replace the batteries.

Follow the following steps to replace the batteries.
1. Slide open the battery compartment cover.
2. Remove the old batteries and replace with 2 fresh AG13 batteries.
3. Replace the battery compartment cover.

NOTES:
1. Remove the batteries from the unit if you do not use it for a long period of time.
2. Never mix fresh batteries with old ones.
3. (or LR44)

CHANGING BATTERY

KD500 Talking Kitchen Timer with Clock

FEATURES

1. Slide the function switch to COUNTDOWN and “COUNTDOWN” appears on the screen.
2. Repeatedly press HOUR, MIN, SEC buttons to set the hour, minute, second respectively. A voice announces each entry.

STARTING COUNT-DOWN TIME

1. Press START/STOP to start the countdown, the unit announces the time remaining to 0:00:00 according to the following schedule.

<table>
<thead>
<tr>
<th>Time Remaining</th>
<th>Voice Reporting</th>
<th>Every Sound</th>
</tr>
</thead>
<tbody>
<tr>
<td>61 minutes</td>
<td>Every hour</td>
<td>Has beep before reporting</td>
</tr>
<tr>
<td>60 minutes</td>
<td>Every 10 minutes</td>
<td>No report in TIME’S UP mode</td>
</tr>
<tr>
<td>11 minutes</td>
<td>Every 1 second</td>
<td>Has beep before reporting</td>
</tr>
<tr>
<td>10 minutes</td>
<td>Every 10 seconds</td>
<td>No report in TIME’S UP mode</td>
</tr>
<tr>
<td>60 seconds</td>
<td>Beep for 60 seconds</td>
<td></td>
</tr>
</tbody>
</table>

2. When counting down time reaches 0:00:00, the alarm will sound for a minute, and “ TIME’S UP ” and the “alarm symbol” will flash. Press any key to silence the sound.
3. The unit continues to count up and announces how much time it is over 0:00:00 according to the same reporting schedule as the precious table. For example, the unit announces “2 minutes over” when it passes 0:00:00 for 2 minutes.

PAUSING/STOPPING COUNTDOWN

To stop or pause the countdown, press START / STOP during countdown. To resume, press it again.
